The Sunseeker 37 Metre Yacht is the first Tri-Deck vessel built by Sunseeker International. This yacht boasts 3 internal decks, not including the sky deck above, this vessel presents both the volume of a much larger boat and also the luxury that is promised by the brand name. This vessel has a fantastic reputation and is on the market at a very good price. With an extensive list of additional extras, viewing is highly recommended, please contact us for further information.
